

In the Specification:

Per 37 C.F.R. 1.121(b)(3), if the original specification filed on August 22, 2003 cannot be found or it is now in a state that it cannot be scanned or properly stored, the Commissioner is instructed to replace the original specification with the enclosed substitute specification.

Per 37 C.F.R. 1.125(b), the undersigned states that the substitute specification includes no new mater.
